1. At its eighty-ninth session, held in Geneva on March 27, 2015, the Consultative Committee considered document CC/89/2 "Internal Audit and reports of the WIPO Independent Advisory Oversight Committee" (see document CC/89/11 "Report on the Conclusions", paragraph 15).
2. The Consultative Committee noted that, on the basis of the risk assessment of UPOV, there had been no internal audit of UPOV in 2014 and that the annual work plan of the WIPO IOD for 2015 did not include an internal audit of UPOV. 3. The Consultative Committee agreed to invite the WIPO IOD to give a presentation on its work at the ninetieth session and to consider plans for an internal audit of UPOV in 2016-2017 (see document CC/89/11 "Report on the Conclusions", paragraph 19).
