**REPORTS FROM NEW MEMBERS OF THE UNION***Document prepared by the Office of the Union**Disclaimer: this document does not represent UPOV policies or guidance*

1. The Consultative Committee, at its ninety-second session, held in Geneva on October 27, 2016, agreed to invite Serbia and to renew the invitation to the former Yugoslav Republic of Macedonia to make presentations at its ninety-fourth session, on progress in their implementation of the UPOV system and any particular areas where they would welcome guidance or assistance (see document CC/92/21 "Report", paragraphs 92 and 93). The Consultative Committee, at its ninety-fourth session, will also be invited to consider invitations for future presentations.

**BACKGROUND**

2. At its eightieth session, held in Geneva on October 20, 2010, the Consultative Committee endorsed a proposal to invite new members of the Union to make a brief presentation at the Consultative Committee, on progress on the implementation of the UPOV system in their territory, with an opportunity to indicate any particular areas where they would welcome guidance or assistance (see document CC/80/10 "Report on the Conclusions", paragraph 78).

3. At its eighty-first session, the Consultative Committee approved the following arrangements:

(a) In order to provide an opportunity for new members of the Union to share their experiences and to indicate any particular areas where they consider that further guidance or assistance would be beneficial, new members of the Union will be invited to make a brief presentation (10 to 15 minutes) at the October sessions of the Consultative Committee. The members of the Union concerned will be invited to report on progress on the implementation of the UPOV system in their territory and to share their experiences in the implementation of the UPOV system. In addition, they will be invited to indicate any particular areas where they would welcome guidance or assistance and, on the basis of their own experience, suggestions that they might have with regard to guidance or assistance that would be beneficial for future members of the Union. It will be emphasized in the invitation that the purpose of the presentation is to facilitate cooperation between members of the Union and to enable the guidance and assistance that UPOV offers to be improved.

(b) In the first instance, members of the Union were invited to make a presentation five years after becoming a member of the Union. There were no new members of the Union in 2010 and, from October 2015, the period was reduced to four years to avoid a gap in 2015.
