[Annex follows]

[Extract from document C/51/22, Annex IV]

PROGRAM FOR THE USE OF THE RUSSIAN LANGUAGE IN UPOV,
APPROVED BY THE COUNCIL, AT ITS FIFTY-FIRST ORDINARY SESSION,
HELD IN GENEVA ON OCTOBER 27, 2017

1. The program below is based on circumstances related to the use of Russian language, which includes in particular that Russian is a working language of the World Intellectual Property Organization (WIPO). Furthermore, it is based on the existing language capacity of WIPO facilities. Therefore, this program should not be considered to be applicable to other additional languages without a separate analysis.

Provisions in Russian language

Interpretation in Russian at UPOV sessions in Geneva

2. Provision of interpretation services in the Russian language at UPOV sessions in Geneva.

Translation of UPOV materials into Russian

3. Translation of the following UPOV materials into Russian:
 - (a) Key documents in the UPOV Collection:
 - (i) UPOV Convention
 - (ii) UPOV/INF document series
 - (iii) Explanatory notes on the UPOV Convention
 - (iv) General Introduction to the Examination of Distinctness, Uniformity and Stability and the Development of Harmonized Descriptions of New Varieties of Plants
 - (v) TGP documents
 - (b) UPOV Distance Learning Courses
 - (c) Standard UPOV presentation materials from the Train the Trainer course
4. The key documents in the UPOV Collection materials would be made available on the UPOV website.
5. The UPOV Distance Learning Courses in Russian would be maintained on the UPOV DL platform but administration and tutoring would be provided by a training center (see below).

Russian-speaking professional in the Office of the Union

6. The Office of the Union would accommodate a Russian speaking professional in the Office of the Union and enable that professional to support training and assistance activities in Russian-speaking countries.

Facilitating PBR applications

7. The Electronic Application Form (EAF) would provide a Russian-language interface and Russian-speaking members of the Union would be included in the EAF.

Training center

8. The Office of the Union would provide available training materials in Russian and guidance on the content of a suitable training course on the UPOV system of plant variety protection as a basis to develop a training center for Russian-speaking participants, hosted by the a relevant institute in the Russian Federation. The support would also include the provision of lectures by the Russian-speaking professional from the Office of the Union. The training center would be responsible for administration and tutoring for the UPOV Distance Learning Courses in Russian.

Resourcing

9. The following resource plan needs to be considered as a package from which individual items cannot be isolated.

10. The program would be resourced as follows:

1. *Additional units of contribution*

An additional 0.5 contribution unit (CHF26,820) would be required to sustain the direct costs associated with the provision of interpretation services in the Russian language at UPOV sessions in Geneva, subject to the UPOV sessions being organized as a single set of sessions and would, for example, allow for occasional extra-ordinary sessions.

2. *Provision of Russian-speaking professional*

A suitably qualified Russian-speaking professional would be provided at no cost to the Office of the Union via the UN Junior Professional Officer Program or via the WIPO/UPOV Fellowship scheme. The duration of the assignment for each individual professional would be a minimum of 2 years and a succession of individual professionals would be provided continuously during the program.

3. *Translation of relevant UPOV materials in Russian*

Option 1: Translations could be organized by UPOV via WIPO translation service subject the direct costs being covered by interested members of the Union.

Option 2: Translations could be provided to the Office of the Union for coordination and consistency-checks.

4. *Training center*

The training center hosted by a relevant institute in the Russian Federation would be developed and funded by interested members of the Union.

5. *Participation in the EAF*

Translations of relevant information into Russian would be provided by the participating members of the Union.

Income from the EAF would be a critical part of the sustainable resourcing of the program. Therefore, full participation in the EAF by Russian-speaking members of the Union would be necessary during the program and the sustainability of the program would depend on the level of use for relevant members of the Union.
